I created bonds with those girls and coaches that will never be broken." Lilly's favorite teacher after saying "I can't choose; they're all so wonderful!" is Mr. Myers because of his "epic pep-talks, jokes and ability to put up with all of us with a mostly positive attitude." Lilly would like to thank every person who helped her throughout the years because they saw potential in her when she didn't. She would also like to give a special thanks to her parents for "putting up with a child who never seemed to be home."
